

6: Transformations

March 11-13, 2016

Walnut Creek, CA

(San Francisco Bay Area)

Honored Guests:

Jo Walton

Ted Chiang

Donna Haraway

Octavia Butler (posthumous)

Friends of the Genre (FOGcon) is a literary-themed San Francisco Bay Area SF/F con in the tradition of Wiscon. Each year we focus on a new theme in speculative fiction and invite Honored Guests ranging from writers to scientists to artists. We build community, exchange ideas, and share our love for the literature of imagination.
